Dear Parents and Carers,

You may have seen recent news stories and social media posts about proposed national **SEND reforms**. You may have questions or concerns about what this means for your child.

Nothing is changing yet. SEND experts and leaders across our Trust have been working with local authority SEND teams and SEND experts to make sure that we are ready for the future.

Over the coming weeks, we will be hosting **parent friendly presentations** explaining:

- What the SEND reforms are
- What they mean for children and families
- What will stay the same, what will change, and when the changes will happen
- How we will continue to support your child

This will be followed by an **informal drop-in**, where SEND experts and academy leaders will be available to listen to your questions and give reliable information.

These sessions are open to:

- Families whose children have identified SEND
- Parents and carers who feel their child *may* have emerging or undiagnosed needs
- Anyone seeking clear and reliable information

Please take a moment to let us know if you are interested in attending. This is **not** a commitment to attend; it simply helps us to plan the best possible event.

Host academies will be in touch with more details. In the meantime, please be assured that nothing is changing yet, and we are ready for the future.

Thank you for your continued trust and partnership.
